

**PHONE CHAIN**  
**Revised FEBRUARY 19, 2010**

This phone chain provides a way to reach all members immediately with urgent news or prayer requests that cannot wait until our next meeting. To begin the chain, the originator of the request will call LEMAN and SMITH. They in turn will call the families listed below their name. It is important that you speak to someone and not just leave a message. This can cause a drop in the message. If no one is available, please call those on the list below you as well. Example: If Lemman can't reach Loiselle, then Lemman should also call Boyden, Kaye, etc. This is especially important regarding winter storm announcements. It is our ultimate wish to have services every Sunday even if we have to schedule them for later in the day.

***Storm announcements will be decided by our Deacons, Bob Smith and Charlie Dismuke (978.793.1405).***
