

# Boulder Believers

## Joshua 4

### IV. Boulder believers

A. Scripture often finds us prone to forget our history with God

B. Talk about the Boulders we need to build up in our lives for ourselves and our children

1. The greatest memorial of all- the one that tells the story of who we are as a people and how far we've come, is the one that Jesus gives

2. The night before He died he took some bread and took some wine and he forever changed what they would mean to God's people.

C. The importance of boulders (Three things that boulders remind us)

1. Boulders remind us to remember the story that shapes us.

2. They remind us to relate the story to our children

3. They remind us to repeat the story to the world

**The most convicting boulder an unbeliever can ever witness is a boulder believer**
